

Print Partner of the Month

JP Graphics prints for a lot of interesting and unique companies which offer some pretty cool and useful products and services... this month is extra special as we'd like you to introduce you to [Courageous Kids!](#)

Every Mother's Day the American Cancer Society hosts Courageous Kids Day at California's Great America.

This amazing collaboration started 30 years ago to create "a day away from cancer" for approximately 600 young cancer patients and their families in the state of California.

It's an extra-special, fun-packed day for these courageous kids and their families, allowing them to have fun together! From enjoying amusement rides, and having a picnic lunch, to participating in arts & crafts, family portraits, and photographs with local celebrities.

We not only sponsor this event with some "Super" print products, Joan also volunteers her time on the day to lend a helping hand. It's a wonderful way to spend Mother's Day and spread some much-needed cheer in the process.

Join Us!

We'd love to have you join in on the fun! Volunteers are needed leading up to the event, as well as on Mother's Day! We hope to see there this May!

If you are interested in participating as a volunteer, please contact: [Kristi Cole](#) | ph: [408-688-0089](tel:408-688-0089)
