

# Print Partner of the Month

**JP Graphics** prints for a lot of interesting and unique companies which offer some pretty cool and useful products and services... this month it's our friends at BrandVia!

They are swag specialists and come up with some pretty creative gift experiences to strengthen brand engagement.

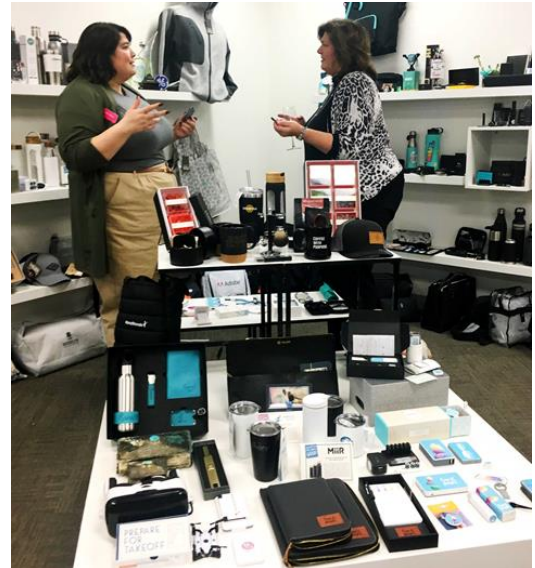

Their job is to make your workplace a bit brighter. From rewarding your employees with branded products, to connecting with customers through corporate gifts and giveaways.

They even have an interactive mobile component, allowing you to connect with your target audience on their phones, via a game or quiz. Customizable prize delivery and sweepstakes options provide an additional draw for customers, while corporations like it for the real-time campaign access and ROI analytics!

If you're looking for a creative new way to create brand awareness, improve employee retention, or need to stand out digitally, ask to speak to their Expert Swagologist, Eric Nelsen, and let him know that Joan from JP Graphics sent you!
