

Print Partner of the Month

JP Graphics prints for a lot of interesting and unique companies which offer some pretty cool and useful products and services... this month we'd like you to meet Gloria Webb-Williams of [Ancient Stones Nurturing Naturals!](#)

Not only do we print her packaging, Gloria recently moved into part of our building! So, you can stop by and say hello the next time you are in the area or picking up your print order.

Gloria creates Natural Mineral Makeup that utilizes colors from the earth's minerals. They have no additives, fillers, preservatives, talc, or lead. Her all natural mineral makeup enhances your skin tone while allowing your radiance to shine through.

Our favorite is their Ancient Elixir®, a proprietary blended makeup Setting Spray, that gives you a smooth air-brushed look all day long.

Once you set your makeup with Ancient Elixir you can work out, go swimming, or just enjoy your normal day without worrying about makeup coming off your face.

We're enjoying having these natural beauty products in our building, and love helping another woman in business do what they love! Best of all, you can try the Ancient Elixir for **20% off** just for being a JP Graphics email subscriber!

To learn more email [Ancient Stones Nurturing Naturals](#) or call them at [\(510\) 796-8991](#), and be sure to mention JP Graphics to get your discount off of their Elixir!
