

**JP Graphics** prints for a lot of interesting and unique companies which offer some pretty cool and useful products and services... this month we'd like you to meet Eric Roberts of [South Bay Spirits!](#)

What started as a home-distilling hobby, outside of his day job in IT, has turned into distillery worth discovering. Their latest release, Lawless Liquor, comes in Apple and Black Cherry flavors, and is perfect for adding a fun twist to your favorite cocktail! Or you can make the following cocktail recipe Eric has shared with us!

#### **Root of All Apple**

- 2 oz Lawless Apple Liqueur
- 2 oz Ginger Beer (Eric suggests Cock'n Bull, but any will do)
- 1 Lemon Wedge squeeze

Fill a rocks glass 3/4 with ice combine all ingredients in order and stir lightly, garnish with lemon wedge remains and a mint leaf.

We'd be happy to share his recipe for a Black Cherry Blossom as well, just let us know!

If you decide to go Lawless, let us know which flavor is your favorite!
