## *Print Partner of the Month*

September is Hunger Action Month, a cause that is becoming more prevalent as Silicon Valley grows and the cost of living continues to increase. In fact, more than 1 in 4 people are at risk of hunger in Silicon Valley, from seniors and children, to families and those that are homeless.

That's where our Print Partners, [Hunger at Home](#) and [Martha's Kitchen](#), come in. Their Annual Bridge the Gap Gala was created to help bring awareness of the growing problem of hunger, and to provide a venue to help the hungry in our community. (We had a great time at last year's Gala and this year's is shaping up to be even better!)

### **A great partnership to end hunger in the Bay Area!**

[Hunger at Home](#) partners with convention centers, hotels, resorts, stadiums, and entertainment venues to donate food and surplus to soup kitchens and local charities to feed those in need. (As well as assists with job placement and equipment needs!)

[Martha's Kitchen's](#) mission is to “feed the hungry with dignity, no questions asked, no judgements made”. At the end of 2018, they have served over 4,500,000 meals since their founding, thanks to their collaboration with other meal sites and Hunger at Home.

[JP Graphics](#) is a proud print sponsor and supporter of these charitable organizations as we believe no one should go hungry, especially in the heart of Silicon Valley.

The [6th Annual Bridge the Gap Gala](#) is a wonderful way to support your community and help your neighbors at the same time. Help join us in the mission of ending hunger in Silicon Valley, by purchasing a ticket or becoming a sponsor today!
