Compact And Versatile Mini LED Keychain Flashlight Torches

OE5362

It is powered by watch batteries which is compact and Versatile, Easily Replaceable. The porch is made of High-Quality Aluminum Alloy Material With Super Bright High Power LED, which make the mini LED flashlight lightweight. Its brightness is 10 lumens which can be used as a practical flashlight, perfect for bedroom, hallway, laundry room, stairwells, etc. The total length is only 10 cm. Really Easy to Carry Around. Keychain flashlight is built with a non-slip grip for convenient use. Designed with a carabiner that can be easily hung anywhere like hooks, the mini led flashlight is appropriate for indoor and outdoor activities.
